**2 - What two or three elements of this course contributed most to your learning?**

**Response Rate** 5/22 (22.73%)

- Learning about something new was invigorating. Professor Reynolds did a great job keeping the class engaged.
- Professor being available, and clear explanation of the material.
- In-class examples, learning the theories behind the concepts
- I liked the reading quizzes because they helped me get a basis on what we were going to learn the next day. I also liked the homework that helped me understand the material better
- The homework, quizzes, and tests.

**3 - What two or three suggestions would you make to improve this course in the future?**

**Response Rate** 5/22 (22.73%)

- Professor Reynolds really does an overall great job teaching the material. Help is available outside of the classroom.
- No improvements needed.
- Less conceptual/proofs, more examples
- I don't think I have any suggestions that would improve this awesome class. Professor Reynolds was a really good professor.
- Increase the number of midterms to 3, and reduce the grading weight of the final

**4 - The following questions are specifically for Dedman College of Humanities and Sciences courses.**
